

REMARKS

I The Pending Claims

Claims 22-35 are pending in this application. Claims 1-21 have been canceled by this amendment. Support for claims 22-35 can be found in the original claims and throughout the specification. The claims are directed to methods using heterogeneous catalysts. Support for the new claims can be found throughout the specification as originally filed (*see* page 7, lines 1-8). Accordingly, no new matter has been introduced by this amendment.

II Conclusion

Applicants respectfully request consideration of the application in view of the above preliminary amendment and remarks.
